Available finishes: Matte, semigloss, gloss. Printed representation of colors may vary from actual samples. Photographs of Venaro White and Private Collection colors do not fully represent veining pattern. Please view a larger sample before purchase to evaluate color, pattern, veining and surface finish. To order actual samples, please visit www.new.corian.com.

Note: Many colors have unique qualities. The directionality of Blackberry Ice, Anthracite, Bronze Patina and Pompeii Red can cause the final fabricated appearance to differ in uniformity from other colors of DuPont™ Corian®. In some applications, dark or saturated colors may show dirt and ordinary wear more readily than light colors. But, rest assured, they're created with the same durability and renewability as any color of Corian®. Please consult your Authorized Retailer or Distributor for more information.

Unmatched natural beauty, uncompromising style, the Private Collection meets the requirements of today's designers and homeowners without sacrificing the durable, easy-care and renewable qualities that are a hallmark of the entire Corian® family. All private collection colors are price group F.

The Artisan Series lets you create a reassuring backdrop to your lifestyle with the shifting textures and subtle veining of these earth tones. Expand your design horizons with the recently introduced colors – Sagebrush, Tumbleweed and Earth.

TUMBLEWEED

CHAMOIS

SAGEBRUSH

SLATE

VERDE

AUBERGINE

EARTH

The Palladio Series opens up new design possibilities with warm tones and fluid patterns. Subtle, spontaneous and natural, these select hues work equally well in your ideal bath or kitchen landscape.
